Project Detail

Please address each of the following in 500 words or less.

1. State school or organization mission, year founded, and background.
2. State community need or opportunity the project will address.
3. State the method of implementation for the project.
4. State the project objectives (anticipated results) in measurable terms. These will be the basis for project evaluation.

Supporting Documentation

An application from a 501c3 without these attachments will be disqualified. Public school educators need only submit a project budget. Please limit to two pages per item.

- Project budget
- IRS tax exemption letter
- List of current board of directors with identification
